
Coeur Appoints Former Nevada Governor Brian E. Sandoval to Board of Directors and Announces Proactive Adoption of Proxy Access to Further Enhance its Best-in-Class Corporate Governance Profile

Chicago, Illinois – March 11, 2019 – Coeur Mining, Inc. (“Coeur” or the “Company”) (NYSE: CDE) today announced the appointment of Brian E. Sandoval, former Governor of Nevada, to the Company’s Board of Directors and its Environmental, Health, Safety and Corporate Responsibility Committee effective March 8, 2019.

Mr. Sandoval has extensive leadership experience in both the public and private sectors. Serving from 2011 to January 2019 as Nevada’s first Hispanic Governor, Mr. Sandoval was responsible for key accomplishments in economic development, veterans’ issues, health care expansion, workforce development, renewable energy policy, innovative gaming policy and modernizing Nevada’s public education system. Bush to serve as a federal judge on the U.S. District Court for the District of Nevada, and confirmed unanimously by the U.S. Senate, a position he held until resigning to run for Governor in 2009.

Mr. Sandoval received a Bachelor of Arts degree in English and a minor in Economics from the University of Nevada, Reno in 1986 and a Juris Doctorate degree from The Ohio State University Moritz College of Law in 1989.

“We are extremely pleased to welcome Brian Sandoval to our Board of Directors,” said Robert E. Mellor, Coeur’s Chairman of the Board. “His track record of effective executive leadership and his intimate knowledge of regulatory and mining-related public policy issues will be valuable assets to Coeur. As the Company expands its North American operating footprint, Nevada and the Western U.S. will remain key areas of focus where Governor Sandoval’s insights and perspectives will be especially helpful.”

Proactive Proxy Access Adoption

Coeur’s Board of Directors also approved amendments to the Company’s bylaws to implement proxy access. The bylaw amendments permit a stockholder, or group of up to 20 stockholders, owning at least 3% of the Company’s outstanding common stock continuously for at least three years, to nominate and include in the Company’s proxy materials for an annual meeting of stockholders, director nominees constituting up

to the greater of two nominees or 20% of the Board. The proactive adoption of proxy access demonstrates Coeur's commitment to incorporating best-in-class governance practices and its responsiveness to stockholder feedback.
